

A Walk of Prayer & Thanksgiving around the old Sydney campus

Sept 4, 2024

ADMINISTRATION, CCSC & EZRA

As you gather at the steps of the old Administration block, where most recently our CCSC faculty was and our Ezra Centre still is (for a few more weeks)...

- thank God for those who have used their gifts, skills, and wisdom in admin, finance, IT, marketing and other roles
- pray for those who have been blessed by the counsellors who have worked in Ezra
- pray for our current staff team, especially those who will be involved in coordination and administration for the new development.

LIBRARY & LECTURE ROOMS

As you gather outside the old Library and look across to the lecture rooms (and the space where offices, lecture rooms and the Tinsley Institute used to be)...

- thank God for the students over the decades who have learned in these spaces, and pray that they might still be learning about God and his world
- thank God for those who used their gifts, skills, and wisdom in teaching and research, equipping others to serve God and respond to His call to the people and places they are sent.

EDUCATION & ONLINE

As you gather where our old Education and Morling Online offices used to be (and where Macquarie Baptist Church (MBC) has had their activity centre) ...

- thank God for the students over the decades who have studied at Morling via distance or online modes, across Australia and around the world
- thank God for those who have used their gifts, skills, and wisdom to equip students (and their churches, schools, workplaces and neighbourhoods) even though they may have never come to this campus
- pray for MBC as they adapt to new spaces and rhythms.

COMMUNITY, DINING ROOM & RESIDENTIAL

As you walk together past the old dining room and head to MRC for lunch...

- thank God for the Morling community of students, staff, and residents over the decades (and all the great meals they have shared)
- thank God for those who have maintained our campus buildings and gardens
- pray for our residential community as they adjust to living near a building site
- pray for the safety of those who will work on the site
- thank God for the food you are about to eat and for the hands that have prepared it!
